

Action steps for enhanced cleaning Communal Areas: Dining

Action steps for enhanced cleaning Communal Areas: Dining

Zone 1 Inside

Step 1	Remove all items including glasses, wrapped straws, menu cards, table cloths, napkins, table ornaments
Step 2	Spray TECcare Control directly onto shelving surfaces or onto disposable blue centre feed paper towel and wipe all surfaces from back to front. Dispose of wipe as you move from one area to the next.
Step 3	• Spray and wipe all worktop surfaces • Spray and wipe all remaining equipment surfaces, moving the items to get to the work surface underneath. • Spray and wipe sink bowl and taps. • Check waste bin and empty accordingly into a black waste bag.
Step 4	• Spray and wipe surfaces of any fixtures and fittings (sockets, first aid kit etc)
Step 5	• Spray and wipe countertop surfaces where residents and visitors will normally collect food and drink items
